PERSONAL AND CONFIDENTIAL

Dear Brother in Christ,

A note from +Jim Lippert indicates that you may consider joining the General Episcopal Synod of the Liberal Catholic Church presided by the Rev. Tom Degebaars.

For various reasons, the Dutch Synod has chosen me to be their representative in this region, language, residence, and seniority be among the major ones. For that purpose, we have established a formal procedure to receive eventual candidates to their Synod, which require a direct contact.

I will travel to the Netherlands on Nov. 4, 2003 to report on a number of requests to join their Synod.

Please feel free to contact me if you have the intention to explore this opportunity to work within this Liberal Catholic movement.

Warmest greetings, in His service,

Maurice Warnon.
